

The Safer Way

ABOUT US

Ege Fren was founded in 1987 as a Joint Venture of Turkish Group Bayraktar and Meritor, one of the world's leading automotive technology companies. Company is the OEM supplier of brake, brake components and machined automotive parts for major Commercial Vehicle Brands in Europe.

It's creative R&D Capabilities, sustained Quality Approach, International Market Experience and Customer-Oriented Vision helps to be an important player also in the Independent Aftermarket (IAM) area.

Plants and Aftermarket Logistic Center are located in İzmir/Turkey, give an excellent logistic advantage to reach International Markets. Aftermarket organisation exports Ege Fren and Solers brands to 40 countries in the world, domestically on the other hand distributes these brands through its authorized dealers.

Ege Fren has Ford Q1, ISO 16949, ISO 14001 ve ISO 18001 certificates.
